

Rainer Mittermayr, MD

Trauma Surgeon, AUVA Trauma Center Meidling
Head of Wound Research, LBI for experimental and clinical traumatology
Lecturer for MD and PhD studies, Medical University Vienna

Experience

10/2013

Submission for habilitation (venia docendi) in traumatology
(topic shock wave treatment) to the medical university Vienna

since 06/2013

UKH Meidling AUVA, Vienna

12/2012 - 05/2013

Orthopedia, Gersthof, Vienna

09/2012 - 11/2012

Pathology, KH Rudolfstiftung, Vienna

03/2012 - 08/2012

Neurosurgery, KH Rudolfstiftung, Vienna

12/2011 - 02/2012

Department for Anesthesiology and Intensive Care, Wilhelminenspital,
Vienna

12/2010 - 11/2011

General, Visceral and Tumorsurgery, Wilhelminenspital, Vienna

2010

Resident in Plastic and Reconstructive Surgery, University Montpellier,
France

2006 - 2010

Training in Trauma Surgery,
Resident at the AUVA-Trauma Centre Meidling, Vienna

Education

1994 - 2005

University of Vienna Medical School

Graduate dissertation:

“Aspects of wound healing and angiogenesis in
plastic/reconstructive surgery (flaps and grafts)
– Experimental studies“

1988 - 1993

Federal Trade Academy Rohrbach / Upper Austria

1984 - 1988

Haslach Secondary School / Upper Austria

1980 - 1984

Haslach Elementary School / Upper Austria

Science and Teaching Activities

Lecturer of the medical faculty of the University Vienna (MD and PhD)

Head of Wound Research at the Ludwig Boltzmann Institut for experimental
and clinical traumatology

Member of the Editorial Board of the International Society for Medical
Shock Wave Treatment (ISMST)

Elected President ISMST 2012

Reviewer of international medical peer-reviewed journals

Trainer of registered nurses

Lecturer and Tutor at international Peer to Peer Workshops
Study visits at Shriners Burns Hospital, Galveston, Texas as well as University Hospital Montpellier, France

Scientific focus: shockwave, angiogenesis, biomatrices, growth factors, gene-activated biomatrices, ischemia-/reperfusion, flap reconstruction

Publications and Speeches

Since 2009

head of wound research the LBI.

Since 1999

scientific assistant at the Ludwig Boltzmann Institute for Experimental and Clinical Traumatology with periodic speeches and chairs at National and International congresses.

Multiple publications and book contributions in National and International Journals and books.

Awards

2011

German and International Society for Shockwave Therapy DIGEST-Award: For the best scientific publication

2007

Vienna Future Symposium: Scientific Poster Award

2005

Wilhelm Auerswald Award for Best Dissertation

2003

Austrian Society for Surgery: Theodor-Billroth Award

2002

International W(ound) H(ealing) S(ociety): Young Investigator Award

Scientific Societies

Austrian Society for Trauma Surgery (ÖGU)

Austrian Society for Surgical Research

European Shock Society (ESS)

International Society for Medical Shock Wave Treatment (ISMST)

Austrian Society for Orthopedics (ÖGO) – (Member, Shock wave therapy task force)

Microsurgery Task Force
